GREGORY H. WOODS, United States District Judge:

On April 14, 2025, the Court circulated to the parties, via email, provisional rulings on the parties' deposition designations arising from the depositions of David Butera, Daniel Maravei, and Kim Solomon. The parties should be prepared to discuss the Court's provisional rulings at the conference scheduled for April 23, 2025 at 10:00 a.m. As noted in the documents circulated to the parties, the Court's provisional rulings do not address whether a proper foundation has been laid for the introduction at trial of any documents that are the subject of a deposition question. The Court expects that the parties will be prepared to lay the proper foundation for such documents separately at trial, or to demonstrate that the proper foundation was laid for such documents during the deposition.

SO ORDERED.
